LAS VEGAS, Nevada, June 11, 2009 – *Greatest Hits* 96.3 KKLZ and Ticket Busters are pleased to announce the rebirth of JUNEFESEST, the outdoor music festival originally created by KKLZ and presented annually from 1993 through 2002.

Saturday, June 20th, JUNEFESEST returns to Las Vegas! Back by popular demand, the music festival will feature Mark Farner formerly of grand funk, Starship starring Mickey Thomas, Dennis DeYoung and the music of Styx, Rick Derringer, Al Stewart, THE FAB, and The Wedge Brothers opening the show.

“The number one question KKLZ listeners ask is, ‘When are you bringing back JUNEFESEST?’” We are thrilled to tell them that after a seven-year hiatus, JUNEFESEST is back...and bigger than ever,” said Program Director Sean Lynch. “The response from our audience has been nothing short of phenomenal, and we’re looking forward to a triumphant return of this iconic heritage event!”
