## **99X and Germain Arena Team Up to Make a Local Soldier's Dream Come True**

**Who:** 99X WJBX-FM, a Beasley Broadcast radio station, and Germain Arena

**What:** 99X and Germain Arena have teamed up to make July 21, 2010 a day to remember for a Ft. Myers local, now serving in Iraq.

SPC Kory McManus was deployed about a year ago and is currently serving at Joint Base Balad. Kory is finally returning home for some rest and relaxation. He came across The Carnival of Madness, a concert put on by 99X at Germain Arena on Wednesday, July 21.

The tour consists of Kory's four favorite bands, Shinedown, Chevelle, Sevendust, and Puddle of Mudd. Working together, 99X and Germain Arena have made it possible for Kory to be a part of The Carnival of Madness tour.

**Kory and a guest will head backstage** on the day of show for a pre-show BBQ aptly named "Carnivore of Madness," where the bands will stop by to meet the attendees. Kory also receives a one of a kind "Carnivore of Madness" Commemorative Laminate along with other gear and then will enjoy complimentary floor tickets to the show.

*99X and Beasley Broadcast SW Florida thank Kory for his service and proudly welcome him home!*
